### **Yoga Bash (3-4 year olds): Mondays, 11:20am - 12:40pm**

### **Mad Science (4 year olds): Tuesdays, 11:20am - 12:40pm**

Calling all scientists!! This very interactive hands on program is designed for Pre-K students to conduct various science experiments lead by a mad science instructor. Students participate in making a variety of take home projects each week and will learn how much fun science can be. Fall session runs September 22, 2015 - January 19, 2016.

### **Sing with Señora (3 and 4 year olds): Thursdays, 11:20am - 12:40pm**

Preschoolers are at the PERFECT age to start learning another language. Fall session runs September 24, 2015 - January 21, 2016.

Each cooking class features a healthy recipe (which students WILL EAT THAT DAY for lunch), emphasize safety and skill building, and encourage environmental awareness in an engaging way. Sticky Fingers provides all of the tools, ingredients and instruction needed to cook up a fun, delicious and ALWAYS 100% nut free lunch. SF can accommodate ANY and ALL food allergies. # Northbrook 4th of July

NCNS celebrated Independence Day marching in the Northbrook Parade! It's hard to decide what was more fun - throwing candy or seeing friends along the parade route! Special thanks to everyone who marched and to Sarah Fink for organizing all the fun!
