## **Lunch Bunch Class Descriptions**

Lunch Bunch is designed for children who are enrolled at NCNS looking to extend and enrich their school day. All of the classes are open to our 3 and 4 year old students. All Lunch Bunch classes are from 11:20am - 12:40pm. A **nut-free** lunch should be sent with students that day.

### **Yoga Bash -- Mondays, 11:20 am – 12:40 pm**

Spring forward by building strength, flexibility and confidence through yoga poses and breathing techniques designed for children. Yoga Bash incorporates books, seasonal events and games to bring out your mini yogi. Weekly themes include geography, languages and nature and will incorporate elements such as affirmation, body benefits and brain balance. Class begins with 45 minutes of yoga, followed by a 30-minute lunch and short open play-time.

### **Amazing Athletes -- Tuesdays, 11:20 am – 12:40 pm**

New this Fall, Amazing Athletes' weekly class encompasses two development sports lessons, muscle identification, fruit or vegetable introductions, as well as activities designed to build and mature a child's motor development, hand-eye coordination, cardiovascular fitness, speed, agility, and much more! The action-packed curriculum allows girls and boys to build their skills at their own pace within a non-competitive, learning-based environment which emphasizes patience, teamwork, and self-confidence. Class begins with 45 minutes of activities, followed by a 30-minute lunch and short open play-time

### **Sing with Señora -- Wednesdays, 11:20 am - 12:40 pm**

Students will be too busy having fun singing songs in Spanish and playing games to notice that they are also building a strong foundation for lifelong language learning! Preschoolers are at the PERFECT age to start learning another language. Sing with Señora makes that learning engaging and accessible through play, stories and song. Class begins with 45 minutes of Spanish-themed activity, followed by a 30-minute lunch and short open play-time.

### **Jr. Engineers by Noggin Builders -- Fridays, 11:20 am - 12:40 pm**

Explore early math and building skills in this hands-on program for preschoolers. Math is fun when we do it with hands-on projects from everyday life. Children will enhance skills like correspondence, spatial reasoning and comparisons as we engage in fun projects like measuring length, making "Pi" pieces, and creating their own abacus. As builders, the children will explore different types of materials, increasing their vocabulary of textures, shapes and material strength. They will use unusual building materials each week to build creations and enhance their abilities in building, such as balance and using connectors while practicing fine motor skills and creativity. Class begins with 45 minutes of hands-on activities, followed by a 30-minute lunch and short open play-time.

## Class preferences:

**First:** \_\_\_\_\_

**Second:** \_\_\_\_\_

**Third:** \_\_\_\_\_

Priority Enrollment for all current NCNS families runs from **July 15-19, 2019**. For applications received within this priority week, NCNS will make best efforts to give each child his or her first choice. If a child is not given their first choice, they will be assigned to the class listed second in the preference list above. After priority enrollment has ended, registration is open to all families starting July 22, 2019. Remaining spots are filled on a first come, first serve basis. Parents will receive email notification of enrollment in a Lunch Bunch class as well as other classes that still have availability. Please contact the Enrollment Assistant, Beth Spaniak, [bethspaniak@gmail.com](mailto:bethspaniak@gmail.com) with any questions about fall registration.
