

Spring 2026 Lunch Bunch Enrichment Enrollment Form

of Lunch Bunch Classes desired: _____

Class preferences:

First: _____

Second: _____

Third: _____

Fourth: _____

Enrollment forms will be accepted from December 1 through December 8, 2025. For applications received within this period, NCNS will make best efforts to give each child his or her first choice. If a child is not given their first choice, they will be assigned to the class listed second in the preference above, and so on. NCNS will follow this ranking method to fill all class spots, creating a wait list where applicable. Parents will receive email confirmation of enrollment in a Lunch Bunch class, and will also be informed of other classes that were not preferences but may still have availability. Please contact the NCNS Enrichment Enrollment team at lunchbunch@ncnskids.org with any questions about Spring 2026 registration.

Please email completed registration to: lunchbunch@ncnskids.org

Child's Name: _____

Date of Birth: _____

NCNS Class: Dolphin _____ Turtle _____ Pre-K _____

Parent/Guardian #1: _____

Parent/Guardian #2: _____

City: _____ State: _____ Zip: _____

Cell/Home Phone #: _____

E-mail: _____

Method of Payment:

After you receive your confirmation email about Lunch Bunch, you will be billed through your Brightwheel account.

Refund Policy for NCNS Lunch Bunch:

- If cancellation is received 21 days or more prior to the start of a session, NCNS will provide a full refund.
- If cancellation is received between 20 days prior to the start of a session and within 48 hours after the end of the second class, NCNS will provide a prorated refund for any classes not attended, less a \$35 cancellation fee.
- If cancellation is received more than 48 hours after the second class, NCNS will not issue any refunds unless the vacancy (created by this cancellation) is filled by a child on the waiting list. If a refund is issued, the refund amount will be prorated, less a \$35 cancellation fee.

By submitting this application, you acknowledge that you have read and agree to the Payment and Refund Policies above.

Lunch Bunch Class Descriptions

Lunch Bunch is designed for children who are enrolled at NCNS looking to extend and enrich their school day. All of the classes are open to our 3's and Pre-K students. All Lunch Bunch classes are from 11:20am - 12:40pm. A **nut-free** lunch should be sent with students that day.

Tales & Tots -- Mondays, 11:20 am – 12:40 pm

Welcome to a fun-filled early literacy class designed just for preschool children led by two Northbrook moms and former elementary school teachers! In this class, we will explore the magical world of books through interactive read alouds that spark imagination and curiosity. Each session will feature a new story, followed by a hands-on approach by exploring early literacy skills through play and games. Our class encourages creativity, cooperation, and a joy for learning through stories and crafts. Come join us for an exciting adventure in reading! Class begins with 45 minutes of literacy activities, followed by a 30-minute lunch and short open play-time.

Art -- Tuesdays, 11:20 am - 12:40 pm

The North Suburban YMCA offers this weekly class to help bring out the artistic side of your child's imagination. The class will begin with a short story followed by an art project based around the themes presented in the book. Students will explore a variety of mediums including paper crafts, paint, gluing, and more. Through these art activities we will work on techniques such as holding paint brushes, cutting, bilateral movement, holding pens/markers/crayons and discovery. Class begins with 45 minutes of art, followed by a 30-minute lunch and short open play-time.

Amazing Athletes -- Thursdays, 11:20 am – 12:40 pm

Amazing Athletes weekly class encompasses two development sports lessons, muscle identification, fruit or vegetable introductions, as well as activities designed to build and mature a child's motor development, hand-eye coordination, cardiovascular fitness, speed, agility, and much more! The action-packed curriculum allows children to build their skills at their own pace within a non-competitive, learning-based environment which emphasizes patience, teamwork, and self-confidence. Class begins with 45 minutes of activities, followed by a 30-minute lunch and short open play-time.

Jr. Engineers by Noggin Builders -- Fridays, 11:20 am - 12:40 pm

Explore early math and building skills in this hands-on program for preschoolers. Math is fun when we do it with projects from everyday life. Children will enhance skills like correspondence, spatial reasoning and comparisons as we engage in fun projects like measuring length, making "Pi" pieces, and creating their own abacus. As builders, the children will explore different types of materials, increasing their vocabulary of textures, shapes and material strength. They will use unusual materials each week to build creations and enhance their abilities in building, such as balance and using connectors while practicing fine motor skills and creativity. Class begins with 45 minutes of hands-on activities, followed by a 30-minute lunch and short open play-time.
