You will receive a Brightwheel invitation and first invoice within two weeks of submitting your application. Please follow prompts for Brightwheel's bill pay and pay all four tuition payments by their due dates. Our payment terms are as follows:

1. The first bill includes 1/6 of the annual tuition as a deposit plus a non-refundable application fee of $100 to hold your child's position in the school. Your registration will be confirmed upon receipt of the deposit and $100 application fee. If there is already a waitlist at the time of application, you will only be charged if a space becomes available.

2. If your child withdraws from school, all fees paid-to-date are non-refundable unless another child is waitlisted and available to fill the position. In this case, tuition fees, excluding the $100 application fee, will be refunded.

   If your child withdraws from school because they have been accepted into a program that will address their special needs, tuition fees (excluding the application fee) will be refunded on a pro-rata basis. Special needs are defined as **two or more** developmental delays in the four areas of development (language, social/emotional, cognitive, and physical development). One area of developmental delay does not meet NCNS's criteria of special needs.

   Additionally, if a child withdraws because the parents are members of the United States Armed Forces and are required to relocate in accordance with their military service, then any fees paid (except for the application fee) will be refunded on a pro-rata basis.

3. A late penalty of $20 will be applied to any payment *received* 7 days past the due date.

4. If a family has two rejected payments during a school year, only Brightwheel credit card autopay will be accepted in the future.
